## ***Uniform***

---

Uniform plays an important role in upholding the ethos and values of the school, and in setting an appropriate tone. Pupils are expected to maintain a modest, tidy and clean appearance at all times in accordance with the sunnah. Pupils need to be suitably dressed for the working day. A smart appearance helps to maintain high esteem in the community.

Pupils will be required to attend school wearing a school uniform. This encourages identity and support for their own religion, attitude to the school and to their studies.

Our school uniform:
